Fonts will not be supplied with this artwork; all texts are vectorized. All special colours specified are from the Pantone® matching system unless otherwise stated. The linked images may be low resolution for decreasing file size purposes and should be replaced by high resolution images before printing. The colours on this printout are not accurate and are intended to be used as a guide only; do not use for matching purposes unless otherwise stated. This artwork does not contain any trap/grip/choke information.

- Hand sanitising foam PT1
- Human hygiene
- Conforms with EN1500, EN12791
- Not for use by children under 3 years

DANGER Highly flammable liquid and vapour. Causes serious eye irritation. If medical advice is needed, have product container or label at hand. Keep out of reach of children. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Keep container tightly closed. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

Use instructions: Hands must be clean and dry. For general hand hygiene use 1-2 pushes, for hygienic hand rub according to EN 1500 use 6ml (10 pushes), rub hands for 30 seconds, continue till hands are dry. Repeat as needed.

DANGER

Active ingredients: Ethanol 65.1g/100g
and isopropanol 10g/100g
